

VIDYA PRASARAK MANDAL, THANE

Inauguration of Entrepreneurship (Start up) Cell by Shri Deepak Ghaisas

Vidya Prasarak Mandal, Thane (VPM Thane) has been involved in imparting education to students and their overall development. Along with University education, personality development and skill development programs are regularly imparted for holistic development of the student. It has been observed that traditional knowledge has not been able to provide suitable employment opportunities as per the feedback from the industry.

Technology continuously undergoes change and this has led to a gap in actual knowledge required for the industry and what has been acquired in the classrooms. Skill development and Entrepreneurship therefore has taken the center stage and Union Government has also started schemes to impart skill development programs and encourage new businesses.

VPM has taken cognizance of the need based education and skill development programs have been initiated to encourage entrepreneurship. In accordance to impart pro-industry skill set /s and encourage entrepreneurship, courses of 3 to 6 months duration have been initiated. During these courses the students will also be educated about the new rules and regulations on cultural, financial, legal aspects that are being brought in force.

We take pleasure in sharing with you that well known and renowned industrialist Shri. Deepak Ghaisas will inaugurate the Entrepreneurship (Start up) cell on 26th January 2016 in Thorale Bajirao Peshwe Sabhagruha at 10.00 a. m. On this occasion, Shri. Ram Bhogale of Nirlep Industries has been invited as a Guest of Honour.

You are all invited to grace this event and make it successful.

Thanking you,

(Dr. Vijay V. Bedekar)

Chairman

Vidya Prasarak Mandal, Thane
